**Petition for Waiver of
FCC Form 471 Filing Deadline for Funding Year 2018
RE: FCC Form 471, BEN 17017734**

I. INTRODUCTION AND SUMMARY

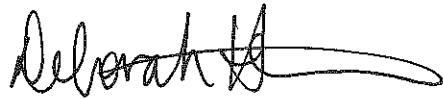

King's Christian school serves two-year-old kindergarteners to eighth graders in the southwest Miami area. This is the first year that King's Christian School has attempted to participate in the E-Rate program. The principal of the school, Deborah Hew, attempted to submit FCC Form 470 on Thursday, February 22nd, but there were technical issues with USAC which prevented her from completing the task. The technical issues were resolved by USAC the next day and Form 470 was accepted on Friday, February 23rd, one day after the announced deadline. When Miss Hew attempted to complete Form 471 online on Thursday, March 22nd, the stated deadline for submission, she was told that the required 28 day bidding window was not yet completed, so Form 471 could not be completed and certified on the 22nd. When the 28 day bidding window became completed the next day, March 23rd, Miss Hew was finally able to file Form 471

(#181041872 and #181041873). Unfortunately, since the filing was done within 24 hours of the original closing date, Miss Hew received a message saying that the applications were being filed after the close of the FY 2018 filing window and would not be considered for funding.

II. Request

King's Christian School respectfully petitions the Commission to request a waiver of the Funding Year 2018 FCC Form 471 filing deadline on behalf of King's Christian School to allow the Out of Window submission of their E-Rate Funding Year 2018 FCC Form 471 #181041872 and #181041873 due to technical difficulties encountered on the day of submission of Form 470.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Deborah Hew", followed by a long horizontal flourish.
